

The Federal Communications Commission

Dear The Federal Communications Commission,

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Long Distance calling remains a luxury item to me as well as cell phone use for safety concerns only. I believe businesses who heavily use Long Distance should foot the majority of any tax necessary as they derive profit from the use of this service.

Very truly yours,

Nancy Gaulke 238 Shacksbush Road Bernhards Bay NY 13028

Sincerely,
